## Top 10 Reasons Why Chubb Auto Beats the Competition Every Time

- 1. Agreed Value coverage.** You agree what your vehicle is worth when your policy is written. After a covered total loss, we'll write you a check for the agreed amount. No hassle. No haggling. No deductible. If your new car is totaled within the first year, we'll pay what it takes to replace it new.
- 2. World-renowned claim service.** We're here for you around the clock — with 24/7 emergency services — and we issue most loss payments within 48 hours of a claim's settlement.
- 3. Up to \$15,000 for the "loss of use"** of your car can be used for rental car upgrades, as well as hotel accommodations and airfare when the loss occurs 50 miles or more from home.
- 4. Worldwide rental vehicle coverage.** If you're in an accident while renting a car, we'll cover the costs for which you could be responsible, such as damage to the rental car or a lost income claim by the rental company. No collision damage waiver is necessary and no deductible applies.
- 5. Choice of body shop.** Use your favorite body shop. Or, if you prefer, we can help you find a high quality repair shop that will guarantee their work for as long as you own your vehicle.
- 6. OEM parts.** We repair your car with original equipment manufacturer parts, not generic parts, wherever possible.
- 7. No depreciation** for "wear and tear" on parts.
- 8. Liability coverage** travels with you worldwide, if the policy limits are \$1 million or more.
- 9. Broad coverage** including pet injury coverage and child safety restraint system replacement coverage, as well as optional lease gap coverage, full glass coverage and road service coverage.
- 10. You trust Chubb** to insure your largest asset — your home. Shouldn't you trust Chubb to insure your largest exposure to a lawsuit — your car?
