Angela

On Chubb claims service:

“You’re not going to have to be an administrator or a processor.”

On Chubb dependability:

“They do what they say they are going to do when they say they are going to do it.”

On the benefits of having Chubb:

“We’re safe to enjoy our car, our art, and our jewelry because we know that they are protected with Chubb.”

As a seasoned real estate broker who works with many high-end clients, Angela has long understood the value of superior insurance. When it comes to protecting her clients’ beautiful homes, she always recommends Chubb.

But she recently came to appreciate Chubb even more. Her daughter and a few of her friends were driving home from college for Thanksgiving when their car hit a deer. Thankfully, no one was hurt, but the car needed serious repairs. Angela knew to call Chubb right away.

Within 24 hours, the damage had been appraised, and Angela was authorized to take the car to a repair shop of her choice. The whole process was smooth, professional, and even pleasant.

Chubb advanced her the money, and Angela was able to take the car to a local repair shop she knew and trusted. The car was repaired perfectly, and Chubb did not make her jump through any hoops.

It’s just one more reason why Angela feels so strongly about going with Chubb. She knows from experience that using a standard insurance company does not entitle you to reliable coverage. In the event of a claim, all you have to do is make a call and Chubb will meet your expectations. Angela knows the value of peace of mind, and having Chubb on her team gives her just that.
