FLORIDA TARGET MARKET CUSTOMER CHARACTERISTICS

Southeast Coast						
Counties	Preferred Account*	Hurricane Deductible	Shutters / Impact Glass	Minimum Coverage	Year Built	Flood Zone ³
Broward Indian River Martin Miami-Dade Palm Beach St Lucie	Well Rounded ¹ with \$15,000 non-CAT premium support	15% Deductible will reduce to a 2% Deductible if opening protection meets Chubb adequacy standards	Required	House \$1,000,000 Cov A <u>Condo / Co-op / Rental</u> \$500,000 Contents plus A&A Secondary locations where Chubb writes the Primary residence – no minimum	Broward and Miami-Dade counties 1994 or later Palm Beach County 1996 or later All other counties 2002 or later	<u>Flood Zone V</u> Generally unacceptable <u>Flood Zone A</u> Requires positive elevation and proof of Flood Insurance
	*Exception Criteria: For HOUSES that are located more than 2,500 feet from the mainland coastline (not on a barrier island, not seaward side of the Intracoastal Waterway) we can consider providing wind without having the \$15,000 non-CAT premium support for risks meeting the criteria below. We should always pursue well rounded ¹ accounts, but can consider if:					
<ul style="list-style-type: none"> House is not in Flood Zone V Cov A of \$2.5M or more Year built of 1994 or later in Miami-Dade & Broward counties Year built of 1996 or later in Palm Beach County Year built 2002 or later in all other counties 						
Barrier Islands include: Biscayne Bay Keys, Boca Raton, Deerfield Beach, Florida Keys, Fort Lauderdale, Hollywood, Hutchinson Island, Indian River Shores, Jupiter Island, Key Biscayne, Lighthouse Point, Miami Beach, North Miami Beach, Palm Beach Island						

Counties	Hurricane Deductible	Shutters / Impact Glass	Preferred Account	Minimum Coverage	Year Built	Flood Zone ³
Monroe	15% Deductible will reduce to a 2% Deductible if opening protection meets Chubb adequacy standards	Required	Generally Unacceptable Capacity should be reserved for Premier Clients only.			

¹ Well Rounded: To justify utilizing Florida wind capacity, complete accounts are expected to satisfy all of the insurance needs of the client and include other lines of business such as: Private Passenger Automobile, Personal Excess Liability, and Valuable articles. We will be most competitively priced on accounts that include Private Passenger Automobile and at least \$50,000 of Valuable Articles – Jewelry.

² Private Passenger Automobile: Does not include collector vehicles, supercar exposures, or vehicles garaged in negatively elevated locations.

³ Note: All Florida residences, with Wind or Ex-Wind, in A or V flood zones are required to carry at least the minimum \$250,000 building & \$100,000 contents Flood limits. Further, building and all mechanicals are required to be positively elevated, as verified by a recent elevation certificate.

See **Florida Underwriting Rules** for guidance on residences *excluding* wind coverage.
